

Adobe Lightroom Classic CC

A Division of GIL Consultancy Pte Ltd
Building Foundations for Excellence

Adobe Lightroom Classic CC is the professional photographer's application which can bring out the best of your photos. It comes with comprehensive set of photo enhancing tools and essential editing tools. You can quickly and easily enhance your photos to give it that "wow" impact.

This is NOT a typical 1-day Lightroom course but fun and comprehensive 2-day Lightroom Classic CC course that offers many hands-on practice opportunities to master what you learn.

This course will introduce Lightroom as a powerful image and efficient management tool for the avid photographer with large volume of photos where you can easily organise and manage the photos in RAW and JPEG effortlessly.

Create professional looking Photo Books from your photos or run it as slideshows, or simple web galleries to show off your best work to inspire, inform, and delight.

This Course is For

Learners with zero to little knowledge of using Adobe Lightroom CC.
